Biography -

Ian Stevenson has 20 years of award-winning international experience in scripted and non-scripted Television, Film, Commercials and Journalism. Ian has extensive credits as Director, Showrunner, EP and Creator, and has worldwide industry film and TV contacts. His qualifications include a Bachelor of Business Degree and film school graduate (AFTRS). Ian has major credits in production and development.

His list of shows, clients and employers reads like a “who’s who”: *NBC Universal, Discovery, MTV, BSkyB, Channels 4 & 5 - UK, Australian TV networks, Foxtel, “The Biggest Loser”, “Bone Detectives”, “The Mole”, “CMT Next Superstar”* from the Producers of *“American Idol”, “Battleground Earth”, Coke, MasterCard, QANTAS and BMG Sony Music.*

Ian has worked on productions with budgets ranging from \$500K-\$10M. He has managed and worked with crews and staff from 20 -100. He has filmed in 20 countries including; the deserts of Cairo, the Venice canals, on top of 18,000ft Bolivian mountains and deep inside rebel occupied jungles of Belize. He has extensive knowledge and experience in cameras (HD and 35mm), lighting, logistics, multi-cam, studio, outdoor stunts, aerials and live recordings.....and he works with animals and children.

In 2006, Ian moved to Los Angeles to further his career. With no industry contacts or introductions he quickly established himself in the very competitive US TV market. Ian is represented by Paradigm Talent Agency, whose clients include Oscar winning actors, writers and directors.

Ian is founder / owner of award-winning and international production company - Bondi Beach Productions. One of its first productions, documentary - *“Purple Haze”*, with Ian as Creator and Director, won major awards [Gold ATOM] and sold internationally.

Testament to his extensive experience and intuitive creative skill, Ian has been employed on multiple occasions to ‘trouble-shoot’ struggling productions. For example, he was hired as replacement Director on a major USA production filming in Egypt and successfully improved the creative to satisfy network executives.

Ian's excellent communication and people skills have proved especially helpful when directing celebrities and talent such as: Ashton Kutcher, Kevin Hart, Kristin Chenoweth, Tori Spelling, Tommy Lee, Ludacris, Linda Perry, Mel Gibson and RuPaul.

Ian's tremendous passion, ambition and motivation help him achieve very high goals that many see as unachievable. His intensive work ethic, creative skills and high level of commitment ensure engaging story-telling and stunning visuals.
